January 2010

Dear Parents and Patrons:

Faith Academy Mindanao is already preparing for another year of service to you and to your ministries. God continues to provide abundantly. Our school has enjoyed and continues to have exceptional students and teachers. It is able to meet the needs of each student right here in Davao with a personal touch.

Please find enclosed with this letter a set of important documents for pre registration of your children. Each document has been reviewed and is especially critical for our students. Take the time to read each one carefully.

Since budgets are set in April, fees are not yet set. Each year we try to keep them affordable. You can check the Tuition and Fees Structure at our website: www.faith.edu.ph/mindanao. Please fill the form out and return to Faith Academy Mindanao Business office by April 1, 2010.

Continue to pray that God will provide a quality teaching staff for the next school year. We are here to meet the educational needs of our students. As we partner together, the students' needs are met. How exciting is the time we live in.

Looking forward to a great 2010-2011 school year.

Serving together in Faith,

Alan D. Farlin, Faith Academy Mindanao Principal
