

# FAITH ACADEMY MINDANAO

## SCHOOL UNIFORM BULLETIN

Faith Academy students wear uniforms each school day.

### Color Issues

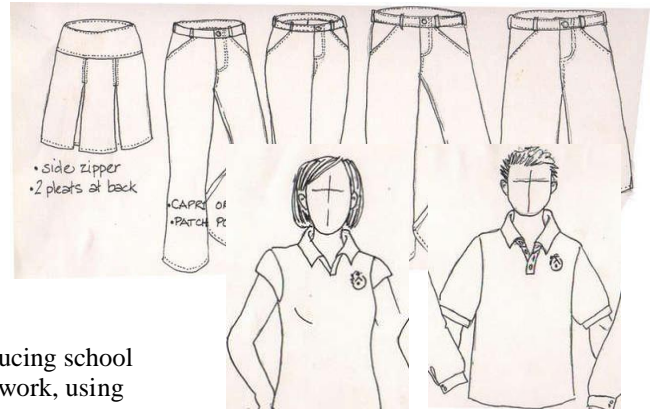

The choices are navy blue, powder blue, and white for polo shirts; navy blue and khaki for the bottoms.

### The Companies

The polo shirts are being made from imported materials by Woolrich, a well known firm in Davao for polo and T-shirts. Faith Academy will purchase stock of shirts and sell them to students

Disenyo Davao produces our uniform bottoms. They are experienced in producing school uniforms for both large and small schools; their track record is one of quality work, using comfortable, durable fabrics; and they provided the most reasonable price.
